

## MEETING REPORT 9

Team Name: WineSight

Date of Meeting: 08.05.2019

Start Time: 10:40 End Time: 11:35

Meeting Location: Epoka University Caffeteria

Moderator: Anxhela Kastrati

Recorder: Borana Begaj

Other Members Present: Adelajda Rami Erjon Halili Lorika Bercaka

Members Absent: (all present)

### Topics Discussed:

We discussed about the progress we have made with our work. Also we made a clearer division of it. There were some questions that came out during our individual work which we agreed upon. We also worked on the project during our meeting on the parts where we needed consulting between group members.

### Decisions Made:

- 1- We gave a specific division for our work.

During the last meeting we decided that Adelajda and Anxhela will continue their work with non-functional requirements. This part remained unchanged. However we decided that other group members should also be involved with the diagrams. Other assignments will remain unchanged.

- 2- Consult each other when needed.

### Tasks Assigned:

- 1- Adelajda and Anxhela will continue their work with non- functional requirements. In the diagrams section of our draft Adelajda will work on Activity diagrams, Collaboration diagrams and State diagram, while Anxhela will work on Class diagrams, Data Flow diagrams, Deployment diagrams, Entity Relationship diagrams, Sequence diagrams.
- 2- Borana and Lorika will work on user cases and scenarios. Borana will do the Object diagrams and Lorika will do the Component diagrams.
- 3- Erjoni will work on user cases.

**Time, Place, and Agenda for Next Meeting:**
