**Members Absent:      _____none_____**

## Topics Discussed:

1- We discussed about all the information that we had gathered after the initial contact with the company we had chosen. The company in question was "Skenderbeu Winery".
2- We discussed some ideas that could be done to improve the company's efficiency in different areas.
3- We discussed about github and our first interactions with it.
4- Databases needed for our project.

## Decisions Made:

1- We should ask the client about setting up a date which will be appropriate for both parties so we can visit the company and them.
2- Think about the platform we are going to use.
3- Think about the technologies that we are going to use.
4- Divide some tasks.

## Tasks Assigned:

1- Lorika will talk again with the company so we have a date assigned for our meeting.
2- All the members of our group should do research about the possible platforms that we may use on our project.

**Time, Place, and Agenda for Next Meeting:**
Next meeting: 20.03.2019
Lorika will inform us about the conversation with the client. We will also try to assign some tasks for the members of our team.
